

Stephan Crump [] Technical Rider

Stephan Crump brings his own travel bass in a hard flight case. AMT condenser microphone and David Gage Realist pickup are mounted on bass.

**Amplification Needs:**

*Acoustic Bass:*

**2 xlr cables with phantom power** (one for bass mic, one for bass pickup - both of which are already mounted on bass - I have boxes for both and only need cables)

**1 bass amplifier head** (minimum 300W) preferably: Ampeg / Aguilar / Mark Bass / Glockenlang - or, if necessary, Gallien Kruger / Hartke

**1 bass cabinet 4x10" w/horn** (or, if necessary 1x15" or 2x10") preferably: Ampeg / Aguilar / Mark Bass / Glockenlang - or, if necessary, Gallien Kruger / Hartke

**Other:**

1 music stand
